

Hi Pst Mike,

Hope you are doing great. I thank the Lord so much for allowing me travel to Arusha and Posumoru in Tanzania to minister to more than 30 leaders who had gathered for the meeting. Arusha is a town that is very close to famous Mount Kilimanjaro. The Host is Pst Michael Mafie of Win All For Christ Ministries. We had some leaders come from as far as Tanga more than 600 Km. I spoke about unveiling Christ in the Old Testament. Later after two days I handed the 9 marks of a healthy church in swahili to the host pastor s that he can distributed since i had carried 30. They were so grateful for the gift of books courtesy of API Kenya.

On Friday morning i traveled to Posumoru which is closer to Mara and Serengeti. I was glad to meet Pst Ezekiel and couple of leaders from other churches and members of TAG church who had gathered. Posumoru is a Maasai village and on Sunday many came to listen to unveiling Christ in the Old Testament. There was huge desire and yearning for the sound word. I also handed them some few copies of 9 marks in swahili. The few who got the books were so excited.

I was able to share with a few believers the resources in the cloud. Its an amazing resource.

Receive greetings from brethren in Tanzania, and they really desired to have API USA visit them, since some of them have been beneficiaries of the seminars in the Mara.

I would like to thank God for the empowerment I have received from API that is opening the doors to share sound doctrine in Africa.

Yours Sincerely,
Pst Reuben Luvanga
Agape Christian Fellowship.
